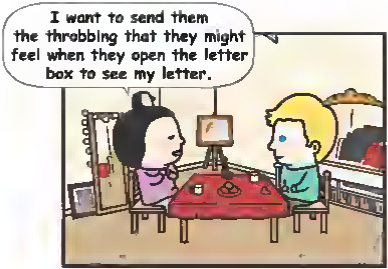
## Letters...

You know that my second PLM in the UK book will be published soon
I've got an event idea
Didn't you say that some people will win a nice illustration in a frame?

Yeah. We'll do that event but this idea is another one.
What is it?

LINE Webtoon

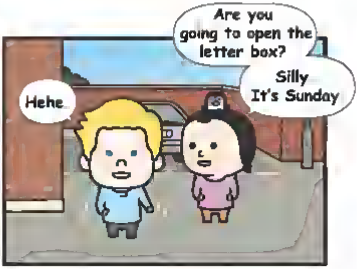


I want to send them the throbbing that they might feel when they open the letter box to see my letter.

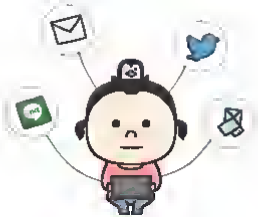
Sulky.

I think there is something special about letters.

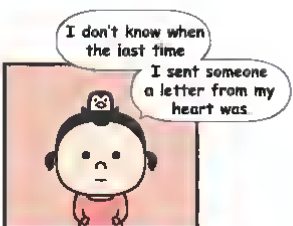
So our letter box is pretty busy all of the time.



Therefore
Mev likes to open the letter box whenever he has a chance to.



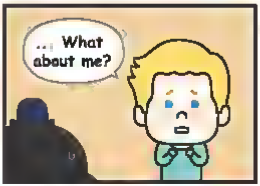
Nowadays, we're living in the fast and convenient world that you can send messages to someone with only with a few clicks.



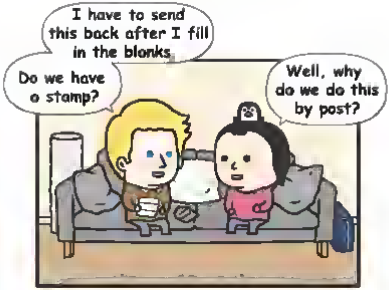
... Mev gets very disappointed.

Once I asked him why he likes letters so much.

Then, Mev said.



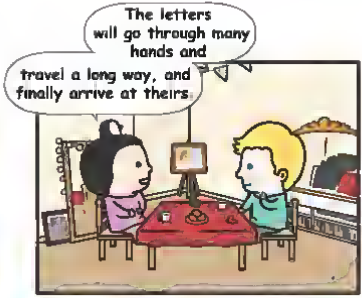
... also, people normally send many things by post for personal reasons.



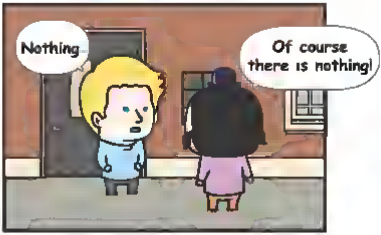
Compared to Korea,
here are so many chances
to deal with the post.

Not just the public offices' business,...

If they leave a review in my fan page, then I'll
pick a few people and send them a nice letter.



The letters will go through many hands and travel a long way, and finally arrive at theirs.



Then if the letter box is quiet for a while,...
